PROBLEM STATEMENT

—

The problem is now a days so many peoples having more than Skills but those are not go the desired jobs. Because no one can know the "JOB Alertments" Details.

PROBLEM STATEMENT

JOB SEEKERS

SKILLED PERSONS

NEED

JOB

HELPS TO

RECOMMENDER

PROBLEM STATEMENT

—

JOB Recommender is provide job alerts .

It's also provide skill related jobs.

All the informations are capture and keep in very securely.
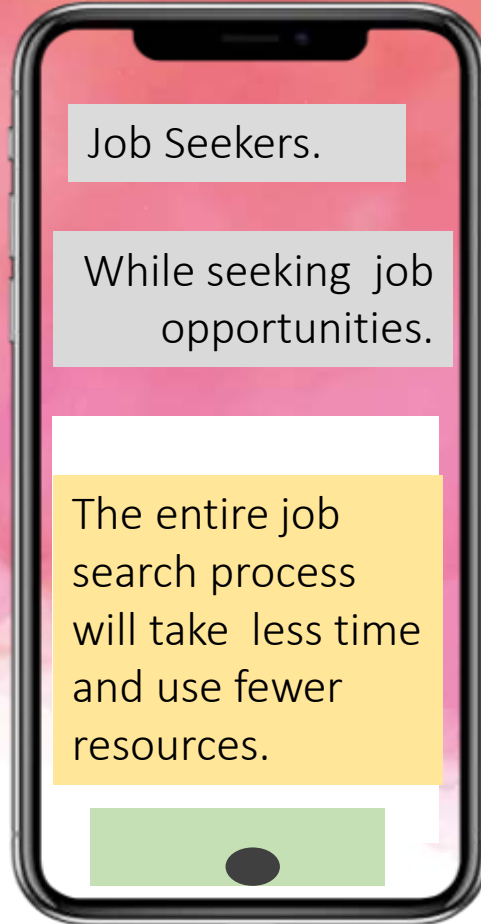

Who can use this application?

When to use?

What are the benefits?

Job Seekers.

While seeking job opportunities.

The entire job search process will take less time and use fewer resources.

THANK YOU
